**Next Meeting:** April 26th, 2017
**Place:** Good Shephard Lutheran Church
**Time:** 7:00 PM
**Glasses:** 2

## Back to our Wednesday Meeting

## March Meeting.

Our speaker was Richard Kasmier of Kaz Winery in Lakeport. He was our second ever speaker at GENCO just 20 years ago. Richard returned to give as an informative, and entertaining, look at his winery in lake County. Richard is very much a purest. He believes wine should be completely unencumbered by additives or changes. He breaks all the rules but makes some outstanding wines. We had the opportunity to taste and enjoy them. Look him up at http://www.kazwinery.com/

## April Meeting topic

.
This month Bob Peak will do a talk on food & wine pairing. He will be doing this subject at the June Winemaker Magazine annual conference.

Bob will be discussing the principals and then pairing wines with various food groups. The meeting will start by showing a few slides and giving the scientific principles we will be testing, then going through the wine-and-food pairs one-by-one with discussion and comments.

There's going to be a lot of different foods and wines to pair. It's bound to be a stimulating evening.

**Don't Forget GENCO'S 6th ANNUAL Amateur Winemaking Competition AWARDS DINNER:** Saturday, April 22.. This years Theme "April in Paris". Get out anything French. Let's turn the hall into the streets of "Gay Paree"

**Steve Nurse, GENCO Secretary**
