March Meeting Notice

February Meeting Summary:

David Munksgard from Iron Horse gave us a very enlightening and entertaining look at the world of a commercial winemaker. We gained a lot of practical insights into his wine making experience and skills.

March Meeting:

Our speaker will be Brian Maurer. From Cellar Searchers.

Cellar Searchers is a boutique fine wine brokerage designed for discriminating individuals who on occasion both enjoy and collect fine wine. Brian has extensive experience and knowledge of wine and serves as a wine judge at many prestigious events; not the least of which is the annual Genco Wine Competition.

Brian will be speaking to us about defects in wine. How to recognize them, prevent them and how to treat them

Genco Annual Wine Competition:

The deadline for the Genco wine competition entries is coming up, so if you are a member in good standing. (*ie, you haven't dragged your feet and missed paying this year's membership dues*) bring your wine and associated paperwork to this meeting.

Steve Nurse, GENCO Secretary
